Disclaimer

The information contained in this report reflects, as of the date of issue, the views of Cardano Risk Management Limited (“Cardano”) and sources believed by Cardano to be reliable. No representation or warranty is made concerning the accuracy of any data compiled in this report. In addition, there can be no guarantee that any projection, forecast or opinion in this report will be realised. Past investment performance is not a reliable indicator of future results: no guarantees of future performance are provided.

The views expressed in this report, or any factual information contained in this report, may change at any time subsequent to the date of its issue.

No information contained in this report shall be construed as any sales or marketing materials in respect of any financial instrument, product or service sponsored or provided by Cardano or any of its affiliates or agents.

References to specific securities are presented solely in the context of industry analysis and are not to be considered recommendations by Cardano.

Cardano and its affiliates may have positions in, and may effect transactions in the markets, industry sectors and companies described in this report.

This report is not an advertisement and is not intended for public use or additional distribution.

Nothing in this report shall be construed as tax advice or legal advice.

Cardano only provides services to professional clients (as defined in the Conduct of Business Rules issued by the Financial Conduct Authority).
